With regard to the operation of mobile and temporary foodservice facilities in the halls or at other sites on GENEVA PALEXPO premises, the Orgexpo Foundation has appointed several catering partners in addition to EXPOGOURMET. They may be chosen by event organizers to operate temporary restaurants and bars, deliver food and beverages to the stands, create foodstands, etc.

For a list of ORGEXPO foodservice partners, please visit the GENEVA PALEXPO website and click "Organizer and Exhibitor Services" / "List of service companies".

Our partners are ready to serve you whatever your requirements for mobile foodservices may be: short coffee break, reception on a stand or gourmet banquet for several thousand guests.

GENEVA PALEXPO also offers a number of function rooms available for rent and ideal for a variety of activities and receptions (press conference, cocktails, etc.). Reservations must be made as early as possible to the administrative offices of GENEVA PALEXPO.
