

Regulations for the use of Wireless LAN facilities within the Geneva Palexpo site perimeter

Dear Sir, Madam, Dear Customer,

From now on Orgexpo will be using **WiFi 802.11 b/g** technology for the operation of the GENEVA PALEXPO site, with the aim of offering new services to its customers. Because of this, from now on all WiFi installations are regulated and limited to the strict minimum.

We can readily understand that you wish to use this technology and consequently ask you from now on to comply scrupulously with these regulations, so that all parties are able to obtain a sufficient quality of use.fc

Regulations for the attention of Exhibitors and Organisers:

1. Standards and available channels

Standard 802.11 a – all channels of the standard

Standard 802.11 b – channel 11 only

Standard 802.11 g – channel 11 only

2. Transmitter power and SSID

Limit the transmitter power so as to cover your stand only.

Ban on transmitting your SSID in Broadcast mode.

3. Obligation to report your installation

Every WiFi installation must be the subject of a report to GENEVA PALEXPO by e-mail addressed to telematics@geneva-palexpo.ch, covering the following points:

- 1) Name and number of the stand
- 2) Contact person with their contact details
- 3) E-mail address of the technical manager responsible, and their mobile telephone number
- 4) Make and model of the WiFi Access Point equipment
- 5) SSID which will be parameterised (Broadcast forbidden))
- 6) Transmitter power used
- 7) Radio transmitter channel used in accordance with the present document
- 8) Installation plan of the Access Point(s) on the stand
- 9) Intended dates of use (setting up, taking down, event))

WiFi 802.11 a/b/g equipment which does not comply with these regulations and as a result interferes with our network is to be immediately, at our request, put out of use.

Expenses relating to location of the equipment and the associated measures will be charged to the stand concerned.

These measures are automatically accepted by all stand or event organisers at GENEVA PALEXPO, as they have been introduced with a view to improving our services to you and to your customers.

The whole Telematic and Audiovisual Service team is of course entirely at your disposal for any questions, at the e-mail address given above.

We are sure that you will be able to appreciate the benefit of these restrictions and thank you in advance for your understanding.
